"What You Should Know About Your City"

"The helpful kind of patriotism is the kind that grows out of a knowledge of one's town, of her growth, her people, her property, her government, and her needs. This knowledge develops, first, an intelligent interest; then, a sympathy; then, a reasonable affection, a wise and temperate jealousy for her good name and a wish that she may prosper and grow more beautiful, and finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women."—John Cotton Dana.

"Organized Effort on Behalf of Our City"

"The conception of Chamber activities is embodied in one of the adopted slogans —'Organized Effort on Behalf of Our City'—and the Chamber is a success only to the degree that this effort is extended and service rendered impartially, fearlessly, and unselfishly for the benefit of the community. The Chamber has made great strides in further developing the comprehensive character of the organization, which today is more generally recognized as an organized body through which all citizens may work for the advancement of the civic and commercial welfare of the city. It is non-political and non-sectarian. It voices the opinion of a membership composed of all shades of thought and of all lines of commercial and professional activity. It is the voluntary, collective contribution of public-spirited men and women to the common good."

ARE THEY USED?

Just six Price & Lee directories in customer's use for one year picked at random when the new one was issued.

What a tribute to the knowledge of the man who insists on complete representation throughout his city directory.

Your city directory is where advertising becomes a part of durability and use.

WHEN MEN WANT TO BUY

THEY look in the **Directory** to find **where** to buy. If you are in heavy type under the proper headings and **explain** clearly in this section of the book what **you** sell, **you** get the business.

Now Able to Render a Broader Banking Service

Combining the resources, the personnel and the accumulated experience of two institutions—the Merchants and Newark Trust Company offers a most valuable banking service both to the business firm and the individual. We are large enough to give you every known facility—but not so large that we lose that personal contact which is prized so highly by our customers.

Our safe deposit vaults are the largest situated right on the main floor of any bank in the city.

Newspapers

As a matter of fact, The NEWARK EVENING NEWS is the newspaper for the entire family. Without being ponderous it prints all the news that is news, and in a manner acceptable in the home. Its features are wholesome, interesting, educational. The children clamor for the comics. Students find it helpful in classroom work. More homes in Newark and North Jersey prefer it than any other newspaper published. Any newspaper that enjoys such reader preference must have something to interest you, too. Or is The NEWARK EVENING NEWS already the preferred newspaper in your home?
